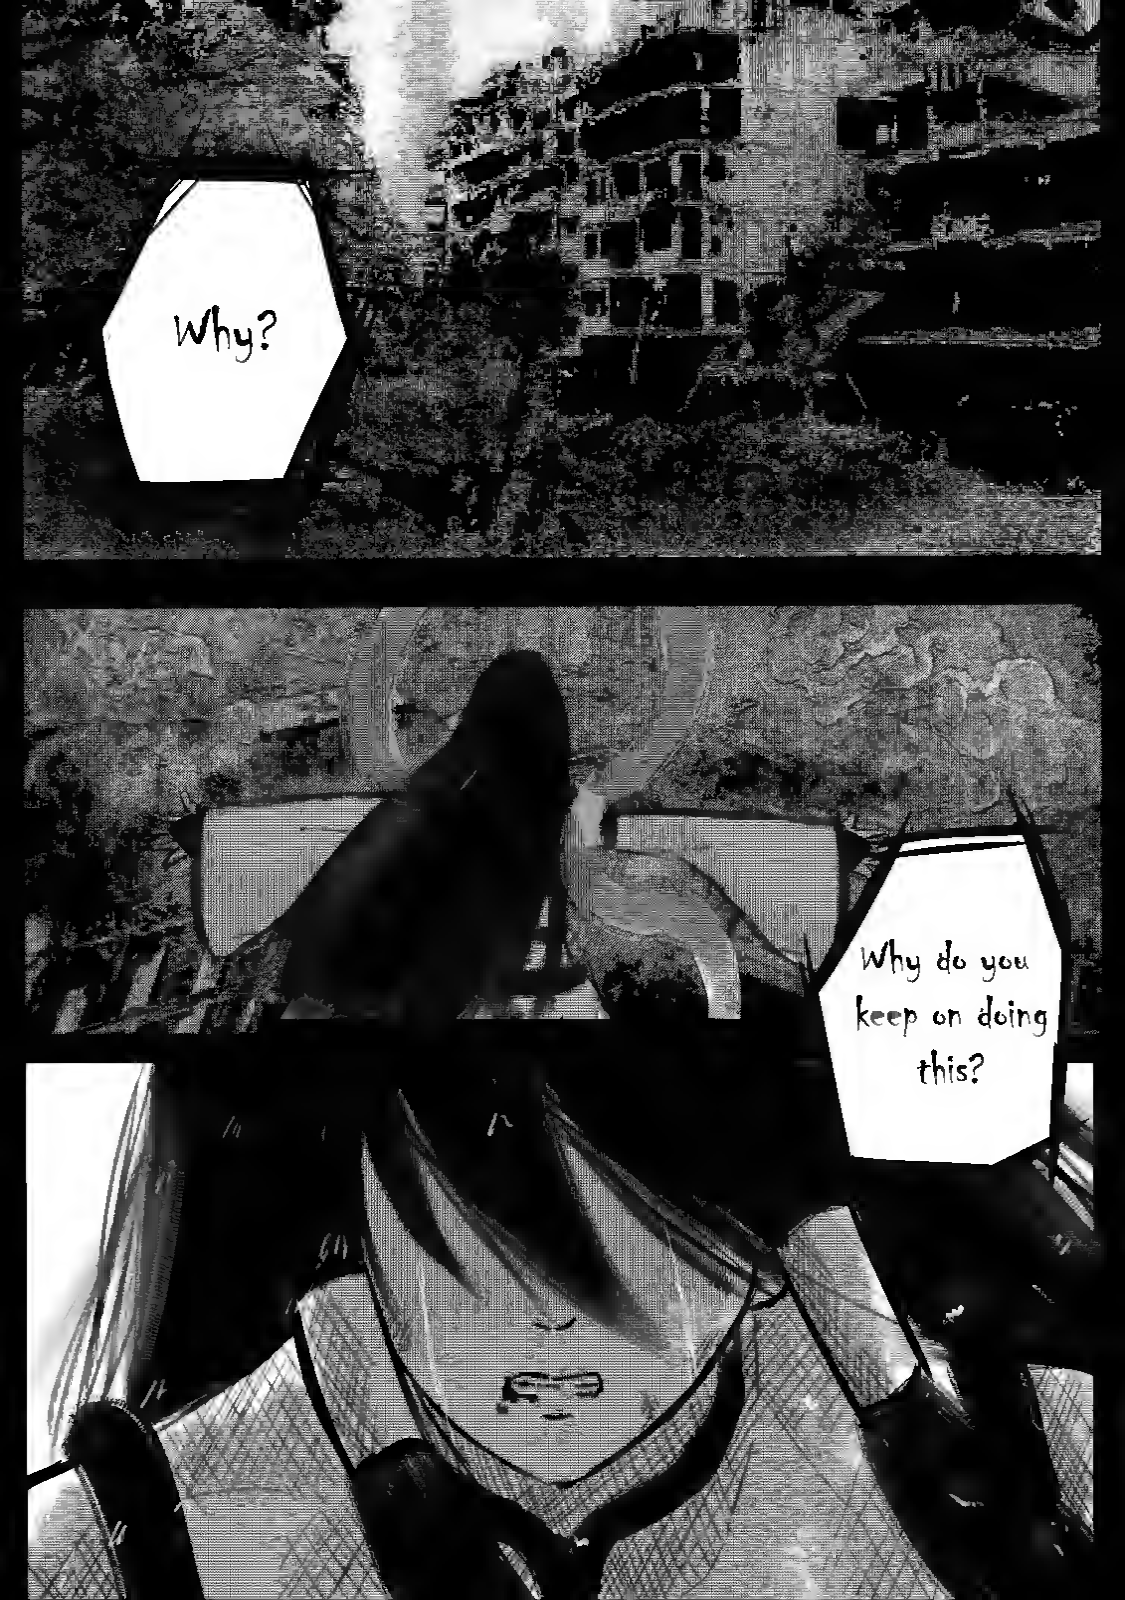
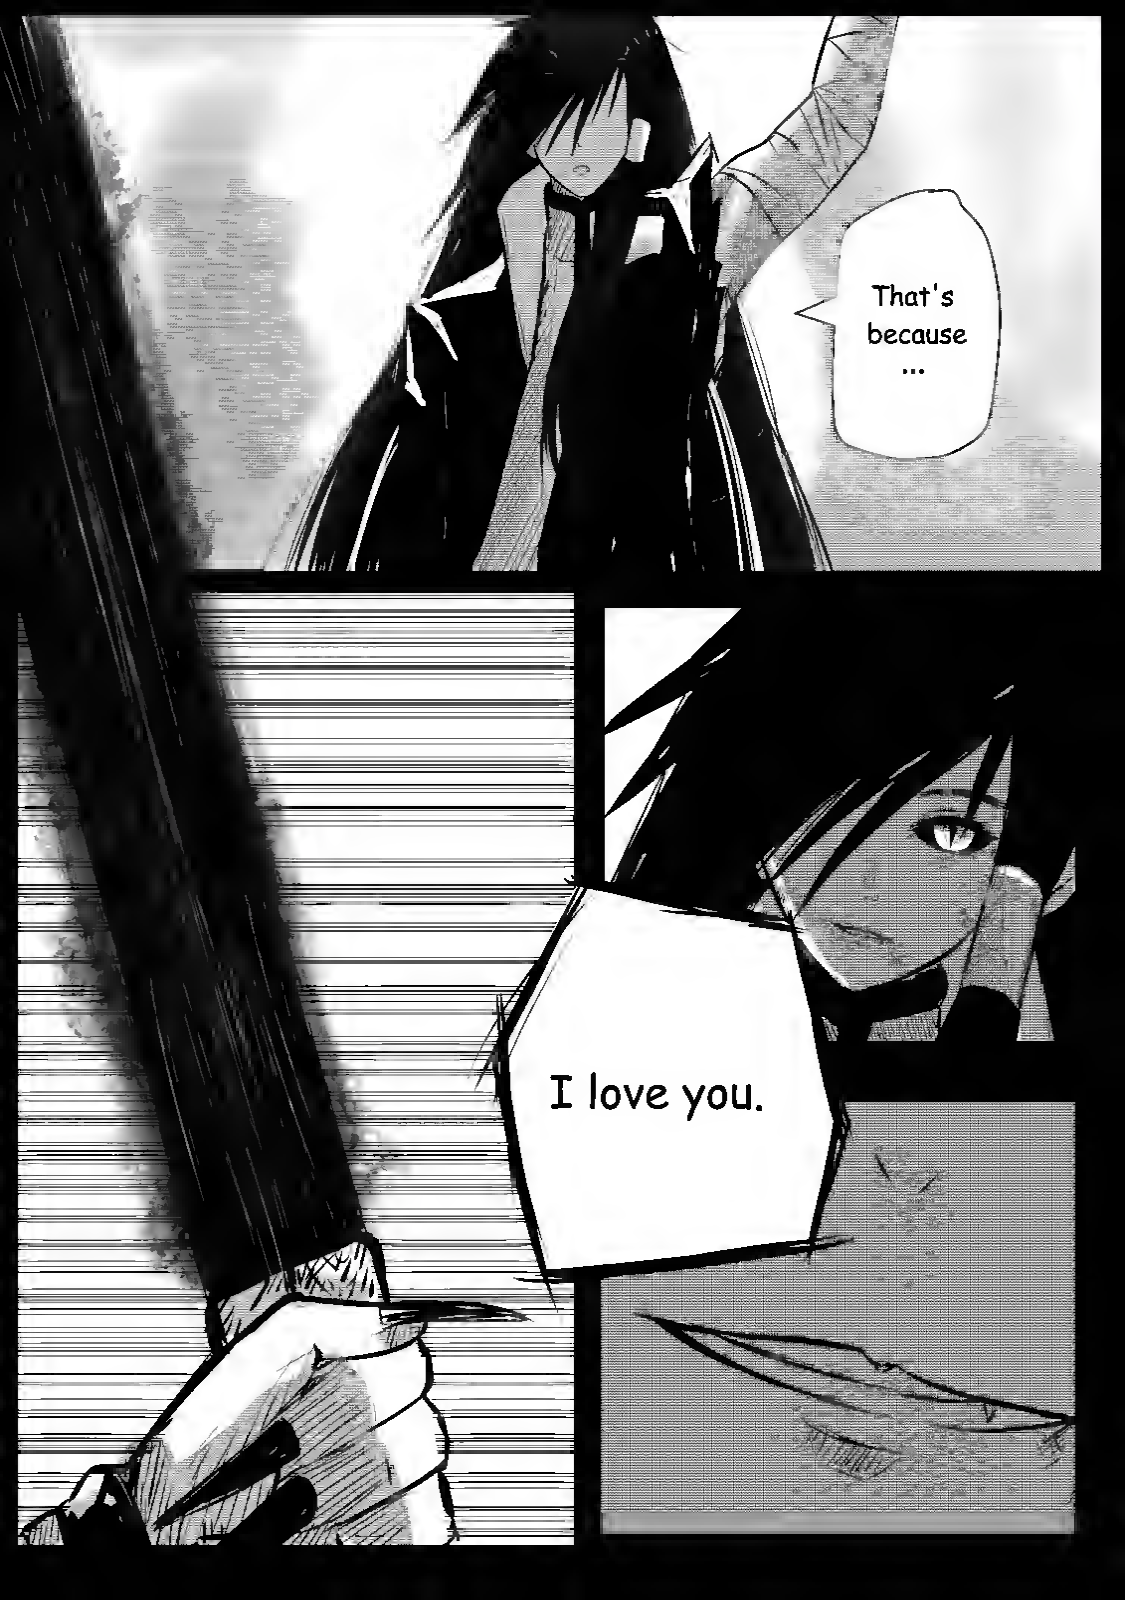
issing Rebirth
Alter

Read from left to right.
Got it?
Let's start!

Missing Rebirth
Alter



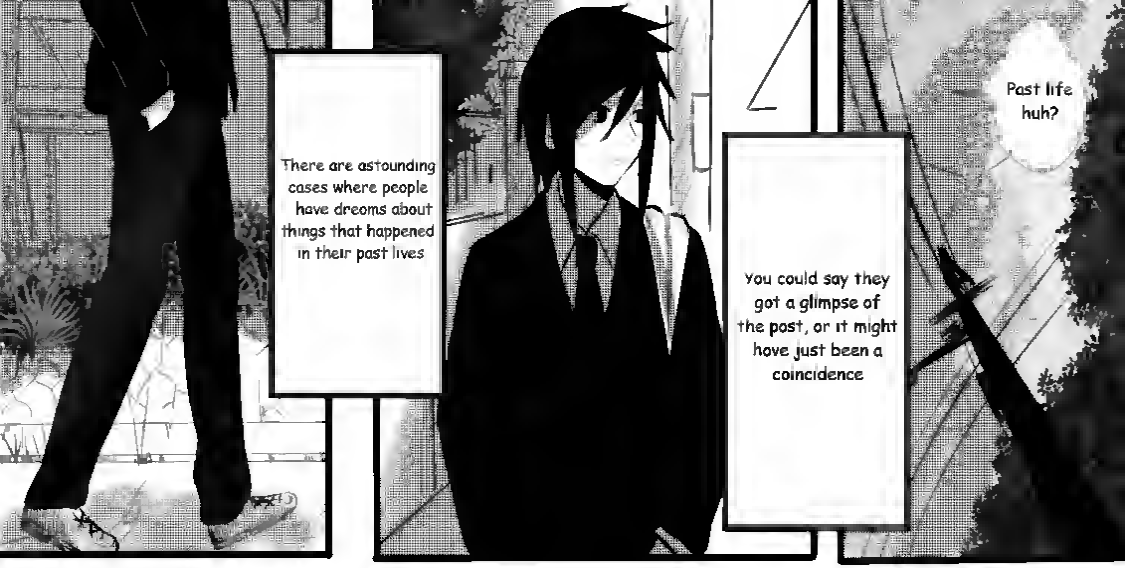
Why?
Why do you keep on doing this?



That's because ...
I love you.

Goodbye,
Reiah!

This dream keeps haunting me every time I close my eyes.



There are astounding cases where people have dreams about things that happened in their past lives
You could say they got a glimpse of the past, or it might have just been a coincidence
Past life huh?

!?
SHIFT

Whoosh!

It feels like someone's looking at me.

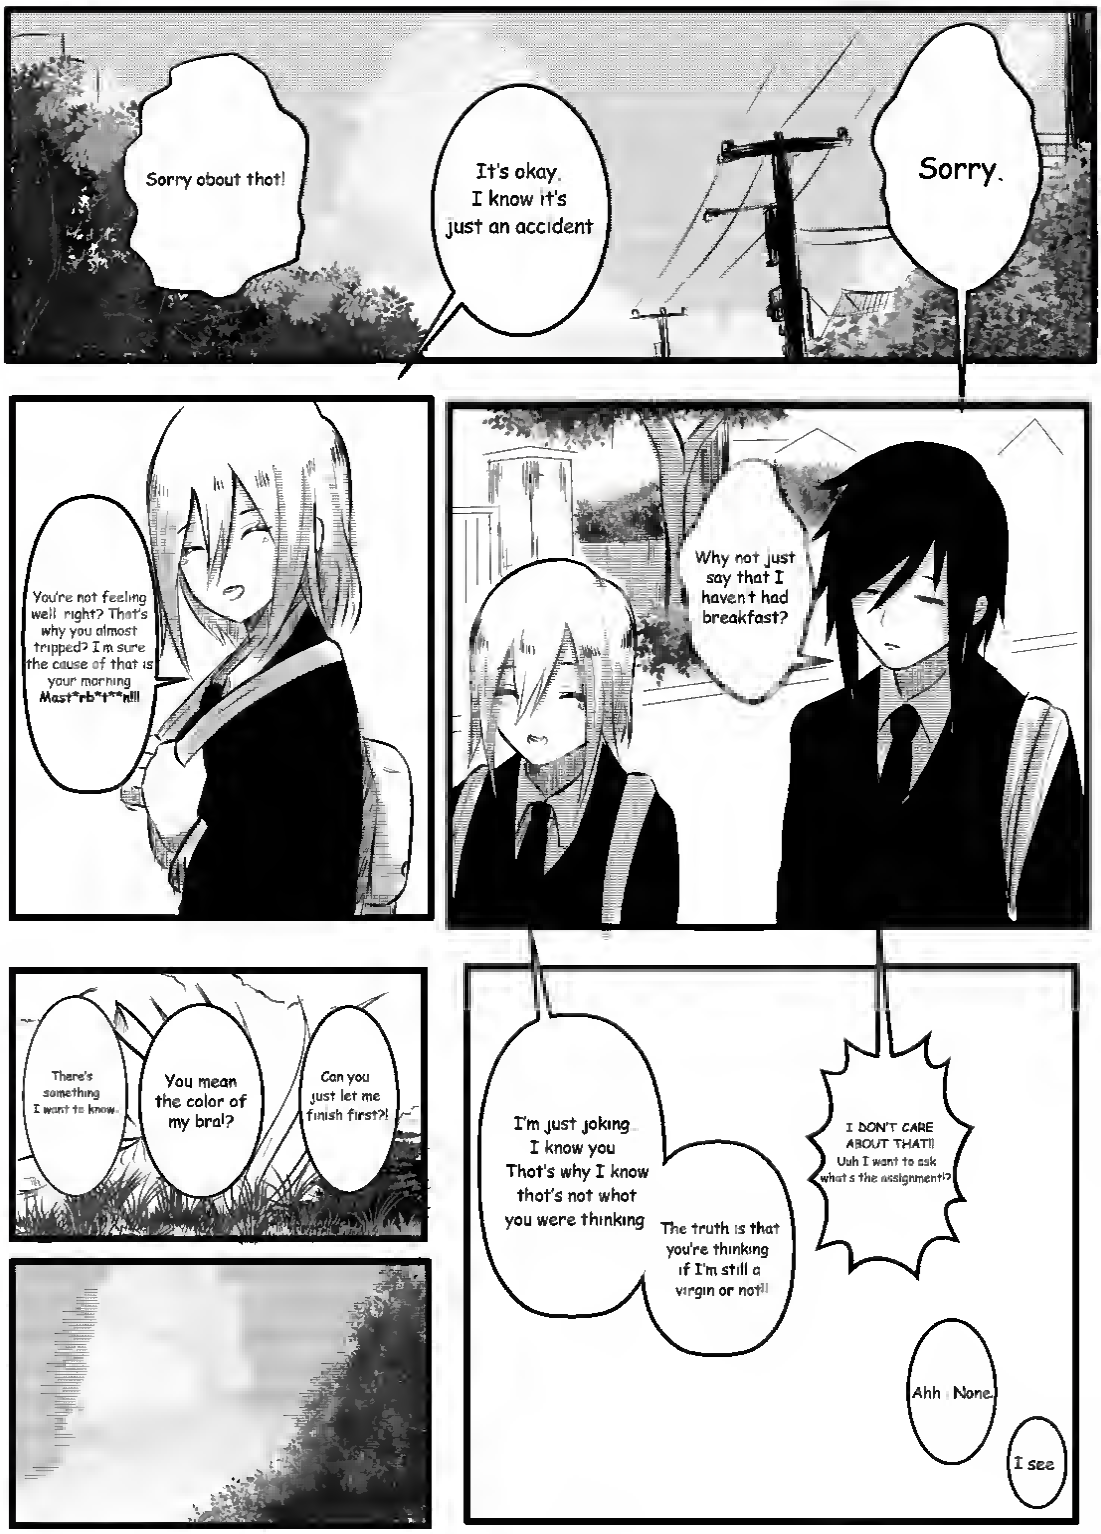
I'm Xavier,
a guy who always wants to be alone but isn't anti-social.
I'm already used to starting my day normally, peacefully, and quietly
But every time I say this, there'll be a twist that'll happen in my life. In short, I'll get bad luck.
I KNEW IT!
I-I'm going to trip!
I know this scene! I watched it in an anime!
You'll slip on a banana peel, then there'll be a different accident that'll happen to you!
I hope I'll trip normally because of this rock! I hope I'll get scarred a bit!

SHIT!
SHIT!
SHIT!
SHIT!
I need something to hold onto to lessen the scor that I'll receive! Wait!?
Hey, Xavier, good mor-
NOT HER!!!!!
SHIT!
SHIT!
SHIT!
SHIT!
Where should I hold onto?!! I know these cliché stuff! I don't want to start my day with an overused storyline!!
Isn't there a safe place for me to hold onto instead of her boobs!? BUT IT'S ALREADY UNCLEAR!
WHAT NOW!?
I need to make a plan! If I won't hold onto her boobs I'll fall!
It'll be embarrassing! She might think that I'm clumsy or something! But if I hold onto her boobs, I won't fall and I'll be safe! But-
that's sexual harassment! She'll hurt me and I won't be safe either way!

No choice! I need to fall to the ground even if it's embarrassing!
UUUGHH!
I DID IT!!
Crap... I forgot to save my face!
I can explain this.
Oh my..
Uhh—
Why does this happen to me..
Somehow, she enjoys it..

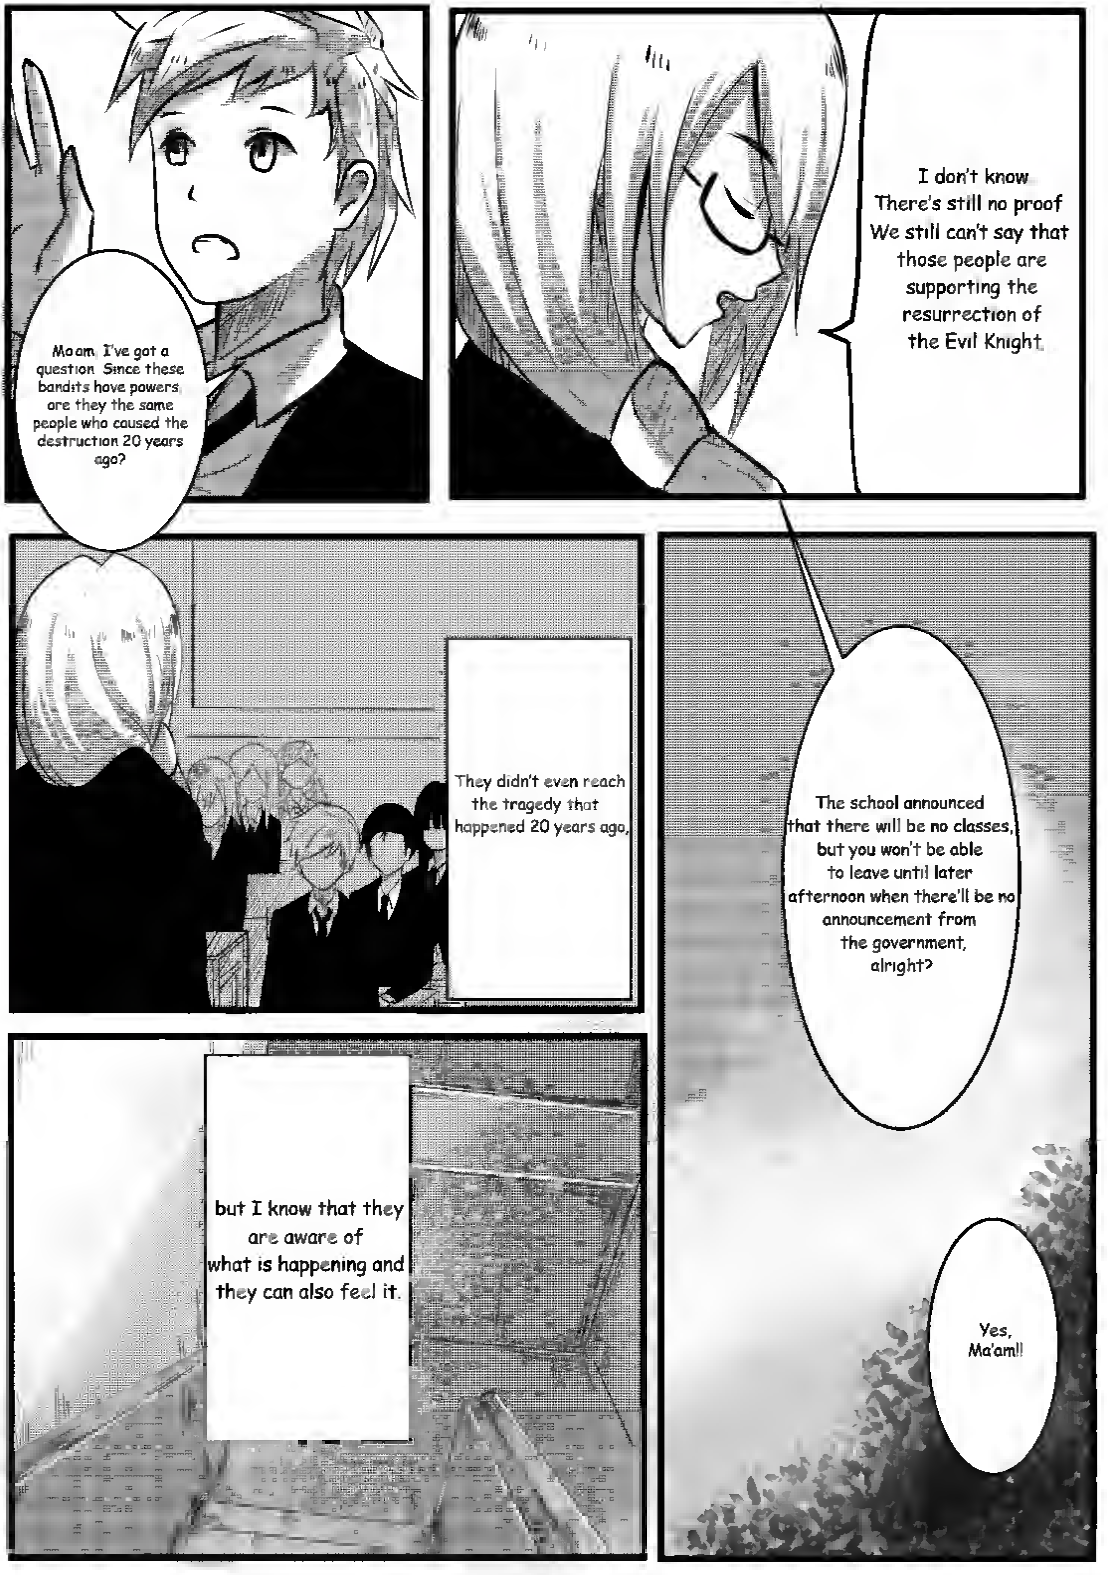


Sorry about that!
It's okay. I know it's just an accident
Sorry.
You're not feeling well right? That's why you almost tripped? I'm sure the cause of that is your morning Mast*rb*t**n!!!
Why not just say that I haven't had breakfast?
There's something I want to know.
You mean the color of my bra!?
Can you just let me finish first?!
I'm just joking I know you That's why I know that's not what you were thinking
The truth is that you're thinking if I'm still a virgin or not!!
I DON'T CARE ABOUT THAT!! Uuh I want to ask what's the assignment!?
Ahh None.
I see

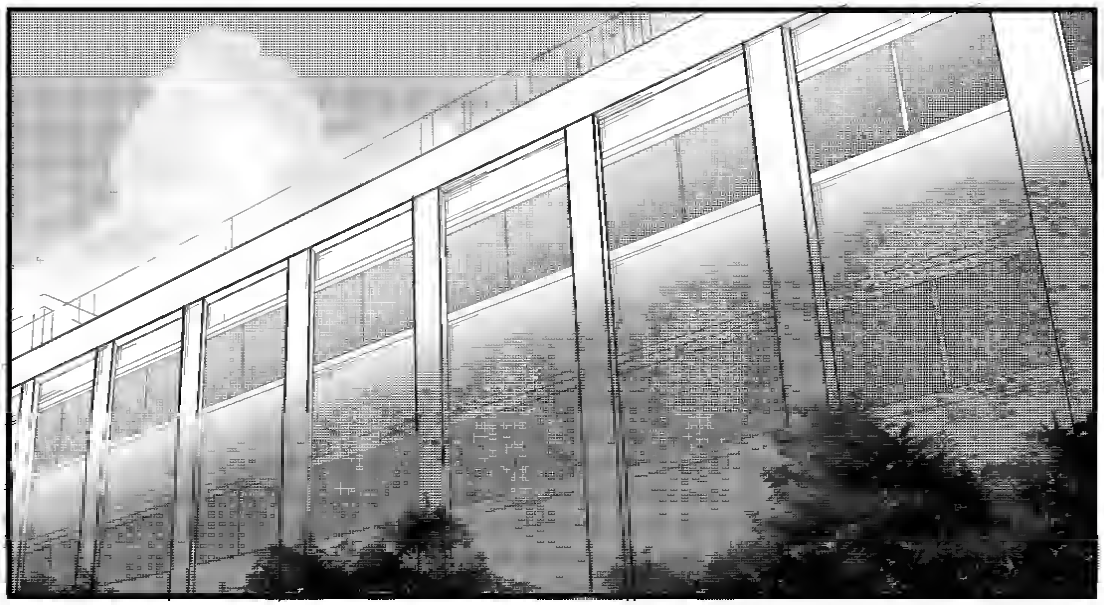
Uhh my Monday
started with bad luck!
I hope this won't continue
As much as possible,
I want to be eccentric
in this mysterious
school and this
enigmatic place!
Lunch break comes
sigh
Ah Hannah-
I mean President
what's -

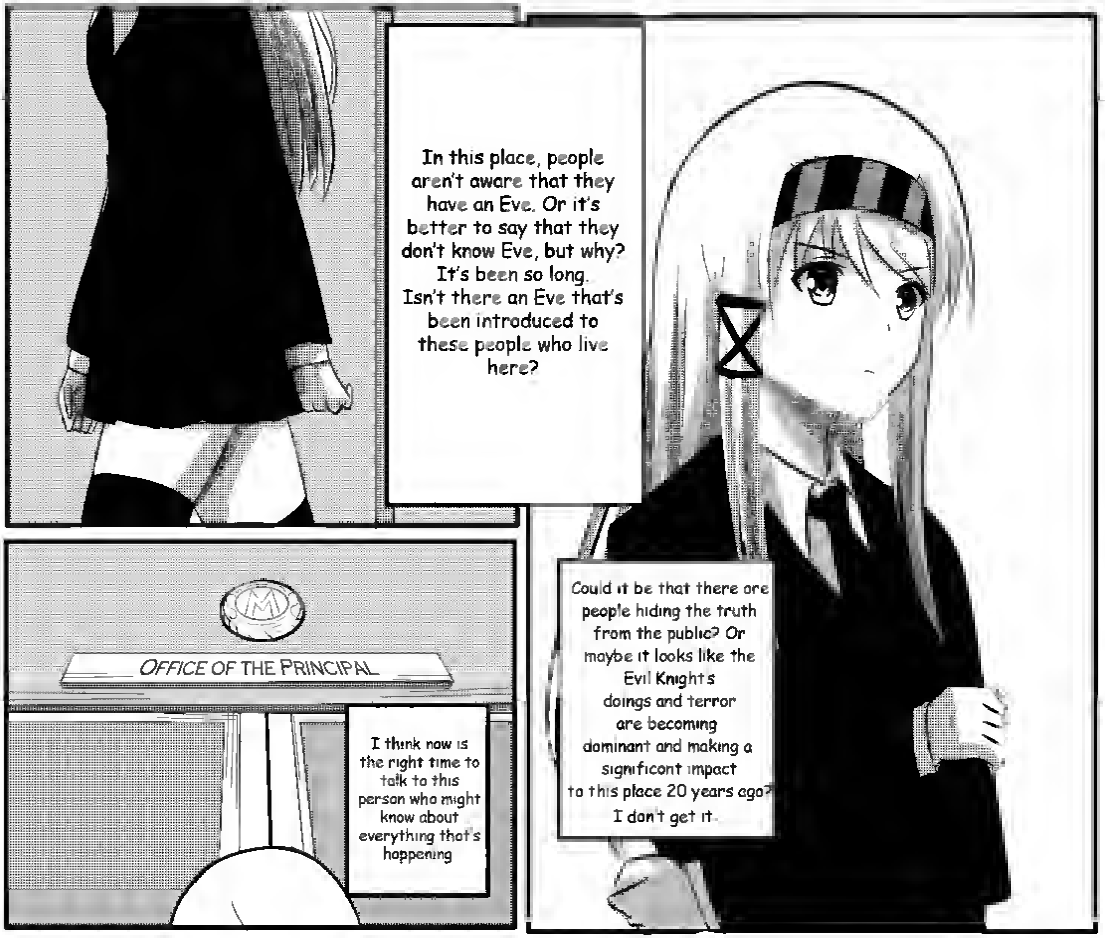
Per-
VERT!
Eh?
Again?
I'm sure she's referring to me because she's looking at me!! What did I do!?
Don't tell me! The one that happened a while ago!? No way!!!

The history class will end soon, but the teacher isn't here yet What a great time
Okay class I've got bad news for you There has been another fight near our area It's made by the so called bandits
I guess they're the same bandits called the "Extremists". But their agenda is still unknown since we still don't know who they are.



Ma'am. I've got a question. Since these bandits have powers, are they the same people who caused the destruction 20 years ago?
I don't know. There's still no proof. We still can't say that those people are supporting the resurrection of the Evil Knight.
They didn't even reach the tragedy that happened 20 years ago,
but I know that they are aware of what is happening and they can also feel it.
The school announced that there will be no classes, but you won't be able to leave until later afternoon when there'll be no announcement from the government, alright?
Yes, Ma'am!!





In this place, people aren't aware that they have an Eve. Or it's better to say that they don't know Eve, but why? It's been so long. Isn't there an Eve that's been introduced to these people who live here?
Could it be that there are people hiding the truth from the public? Or maybe it looks like the Evil Knights doings and terror are becoming dominant and making a significant impact to this place 20 years ago? I don't get it.
OFFICE OF THE PRINCIPAL
I think now is the right time to talk to this person who might know about everything that's happening

BINDING NO.54!!!
Don't let that person escape!!!
Uhh again. You guys always follow that happy-ga-lucky principal I see... so this time, you developed your spells or whatever it's called to capture me continuously.
WE WON'T LET YOU DO WHATEVER YOU WANT!! WE'RE GOING AFTER YOUR FRIENDS AFTER WE GET RID OF YOU!!

Get out of my way! I still need to capture the Eve in this place!!! Or else!
BLACK HALO!!!
DAMN YOU, EXTREMISTS!!

We were sent hame by evening after we waited far the signal which let us knaw that the terrar is already dane
This place is sa quiet. I still can't believe that this place is lucky far nat being destrayed 20 years aga. I'm fartunate ta live here! I wish it'll last lang withaut any war
I feel that its time continues to flow with the peaceful and quiet life that I want, but-
If nat. Where do I belong?
do I really fit in this life? Are the things that I'm doing right?

Hmm?
What's that?
A cat?
"noise"
Let's see what this is.
I hope it's not
a ghost because
I'm kinda afraid
of those.
gulp
AAAAAHHH..
WHAT'S THIS!?
A SUPERNATURAL
FOE!?
No way
she's covering
herself with a
banana leaf?

Hum?
Eh? Ahh it's just a person?
A... are you okay, miss?
Who is this girl and what is she doing?
To be Continued...
